

## MANITOBA PRESCRIBING PRACTICES PROGRAM (M3P)

It is my intention to prescribe designated drug(s) and I will require the initial issue of multiple prescriptions. In making this application I recognize that:

- I am required to keep secure and be accountable for every prescription issued under my name. Loss or theft of pads will be reported promptly both verbally and in writing to the Manitoba Prescribing Practices Program (M3P).
- Designated drugs can be prescribed only with the use of the multiple prescription and I have the responsibility to re-order prescriptions.
- The multiple prescription must be completed accurately, completely and legibly to be valid. Invalid prescriptions will not be filled.

Physician Name (Please Print) \_\_\_\_\_

Full Office Mailing Address  
where the pads will be mailed  
This address should be  
your office address in our database  
\_\_\_\_\_

REVISION: JUNE 2014

## SCHEDULE A

### LIST OF DRUGS COVERED BY THE MANITOBA PRESCRIBING PRACTICES PROGRAM (M3P)

**NOTE:** All sales reportable narcotics and controlled drugs are included under the M3P Program.

**WARNING:** This is a reference list provided for convenience.

While all generic names appear, only sample brand names are provided. It should not be viewed as an all-inclusive listing of brand names included under the M3P program.
