FEES

Definition

1. **"certificate year"** means the time period for which a certificate of practice is issued for a particular class of registrants.

Fees Payable

2. Each registrant must pay the fees and levies applicable to the registrant as fixed by Council from time to time.

Increases in Fees

3. The fee for the annual certificate of practice shall automatically increase by an amount equal to the Manitoba Consumer Price index to cover inflationary costs.
4. Council may also increase the fee for the annual certificate of practice by an additional amount, provided management presents Council with a budget and a satisfactory rationale justifying an increase.
5. The council may issue a special assessment on some or all classes of registrants to cover unexpected expenses, which were not reasonably foreseeable at the time the budget was prepared.

Payment of Fees

6. Fees for all types of certificates of practice and permits are deemed to be a debt due to CPSM and must be paid in full on the due date stipulated in the renewal notice.
7. Notwithstanding section 6, classes of membership may pay their certificate of practice fee monthly in accordance with the fees set out in Schedule "A" to this Bylaw.
8. No renewal notice is sent to a certificate of practice paid monthly. Any registrant who wishes to continue to practise medicine in Manitoba after the expiry of their monthly certificate of practice must renew their certificate of practice and pay the certificate of practice fee before the effective date of the certificate of practice to be renewed.
9. A medical corporation permit is issued on an annual basis only and may not be obtained on a monthly basis.

Late Payment, Daily Assessments and Non-Renewal

10. Registrants must deliver a completed annual renewal of certificate of practice form and pay the annual certificate of practice fee to CPSM before November 1 each year. A registrant who does not meet this requirement is in arrears of annual renewal.
11. A registrant who is in arrears of annual renewal and who applies for renewal of their certificate of practice after November 1 and before November 30 or within such additional time as Council may allow, may apply to renew their certificate of practice, but must:
 - a. pay the prescribed late fee; or
 - b. if the Registrar exercises discretion to waive or lower the late payment fee, pay the reduced amount.
12. If a registrant fails to apply for renewal or to pay the late payment fees under section 11 before November 30, upon application for renewal by the registrant, the Registrar may renew the registrant's certificate of practice if the following conditions are met:
 - a. the Registrar finds that exceptional circumstances exist warranting extension of the time for the registrant to apply for renewal; and
 - b. the registrant pays the late payment fee and applicable daily assessment, unless the Registrar exercises discretion to waive or lower the late payment fee, the daily assessment, or both and the registrant pays the reduced amount.

13. Where the Registrar declines to extend the time for the registrant to apply for renewal, or the registrant fails to meet the conditions for renewal in section 12, the registrant must be notified of the right to appeal the Registrar's decision pursuant to s. 46 of the Act. Issuing a practice certificate effective on a date other than the date the applicant applied for renewal is at the sole discretion of the Executive Committee. The appeal of the Registrar's decision must contain a complete written explanation of the circumstances that led to the failure to renew by the required renewal date.
14. Pending any appeal pursuant to section 46 of the Act, the registrant is not entitled to practice medicine unless and until the registrant is issued a certificate of practice.

Medical Corporation Late Payment and Non-Renewal

15. Section 10 to 14 apply to late applications or late payments for annual renewal of permits for medical corporations with all necessary modifications implied.

Administration Fees

16. CPSM may charge administration fees for services requested from CPSM in accordance with the administration fees approved by Council and set out on Schedule "A" to this Bylaw.

Fee Rebate

17. Where a registrant with an annual certificate of practice:
 - a. has had a maternity or parental leave or has had an illness which required the registrant to take a leave of absence from the practice of medicine for a continuous period of at least two calendar months in any certificate year; and
 - b. during the maternity or parental leave or leave of absence due to illness the registrant did not engage in the practice of medicine,the registrant may apply to CPSM for a rebate of fees.
18. Where a registrant with an annual certificate of practice dies, the legal representative of the estate may apply for a rebate of fees.
19. Fee rebates shall be calculated on a pro-rata basis, at the rate of one-twelfth of the certificate of practice fee for each full calendar month of the certificate year during which the registrant did not engage in the practice of medicine. A rebate shall not exceed one-half of a certificate of practice fee for the certificate year for which the rebate is sought.
20. Applications for a fee rebate must be made to CPSM by November 30 of the certificate year immediately following the certificate year for which the rebate is sought. The applicant

shall be solely responsible for providing such evidence as may be required by the Registrar in support of the application for fee rebate.

21. The Registrar is responsible to review and decide each application for fee rebate.
22. Where the Registrar does not approve the application for fee rebate, the registrant may appeal the decision to the Executive Committee.
23. Where an appellant has paid the prescribed fee to appeal a denial of registration, the fee shall be refunded if the appeal is successful.
