## Certificate of Professional Conduct

---

### 11. Any other information the Registrar deems relevant

DATE OF ISSUE:

REGISTRAR/CEO

Not official without signature of Registrar and impression of the College seal.

---

<sup>1</sup> Disclosure is based upon the best information available to the CPSM as of the date of this certificate.

<sup>2</sup> A complaint means any initiating communication which:

- a) is an expression of concern about the conduct, competence or capacity of the registrant or former registrant, about which the registrant or former registrant is aware;
- b) identifies a registrant or former registrant of the issuing medical regulatory authority;
- c) is made by any person (including the Registrar of the issuing medical regulatory);
- d) meets the legal criteria or procedures in the jurisdiction in question; and
- e) does not necessarily have to lead to an action.

<sup>3</sup> Open complaints and any past complaints for the current year and the 10 previous calendar years are included.

<sup>4</sup> Open Investigations and any past investigations for the current year and the 10 previous calendar years are included.

<sup>5</sup> CPSM does not collect information about hospital privileges.

<sup>6</sup> CPSM began collecting information about court findings of guilt from other jurisdictions, fraud findings, restraining orders, and pardoned offences on July 15, 2015. Only matters for the current year and the 10 previous calendar years are included.

<sup>7</sup> CPSM began collecting information about medical malpractice court judgments issued against the member by a court in Canada within the previous 10 years on July 4<sup>th</sup>, 2005. On July 15, 2015, CPSM began collecting information about members' professional litigation history including pending civil actions and settlements of civil action. The member's professional litigation history involving a patient for the current year and the 10 previous calendar years is included.

<sup>8</sup> Settlement means any resolution of a lawsuit involving a patient at any time during the proceeding, which included any payment of money in relation to a member's medical practice and/or any admission of liability in relation to a member's medical care.
