

In Collaboration with the University of Manitoba  
the Health Sciences Centre Winnipeg presents

# THE 25<sup>th</sup> ANNUAL

# BUG DAY

 Health Sciences Centre  
Winnipeg  
A Shared Health facility

## Overall Program Objectives:

By attending this program, the attendee will be able to:

1. State the names of the key pathogens that have been clinically and socially relevant over the past 25 years.
2. State how the determinants of health influence a person's risk for infection
3. State how to modify risk factors for the acquisition of infection

**Tuesday, October 19, 2021**

Join us digitally by registering before Oct 18, 2021  
at: [www.hsc.mb.ca/Bugday.html](http://www.hsc.mb.ca/Bugday.html)
