

Are you a prescriber* of opioid agonist medications?

*MD or NP

**If you are a physician or
nurse practitioner who:**

- Prescribes opioid agonist therapy medications (like methadone and suboxone) as part of your practice
- Practices primarily in rural and remote locations in Manitoba

We invite you to a 30-60 minute interview over Zoom about your experiences working with patients on opioid agonist therapy in rural and remote locations in Manitoba.

Your participation will contribute to the advancement of knowledge about the unique challenges of providing these therapies in rural and remote locations.

**To participate, please email em.pijl@umanitoba.ca
to set up an interview.**

Participants will be given a \$50 honorarium in appreciation of your time.

This research has been approved by the Research Ethics Board at
the University of Manitoba.
