The Age Triggered or Referred Quality Audit Program process is to support a safe and engaging learning experience and provide you with feedback.

AGE TRIGGERED OR REFERRED AUDIT PROCESS

01 Communications about your audit are Evidence Act protected.

02 One or more of CPSM's trained clinical auditor(s) will conduct the audit.

03 A written report by the auditor who is a peer, will be sent out to you with an option to speak with a CPSM consultant.

04 Audit recommendations are shared with Central Standards Committee (CSC) who makes the final decision. You will receive your results in writing.
